CEILING: PAINTED DRYWALL
GRAND HALL

FINISH MATERIALS
FLOOR:
HARDWOOD

WALL:
FABRIC ACOUSTIC PANELS

CEILING:
EXPOSED CONCRETE STRUCTURE AND PAINTED DRYWALL
Pedestrian Routing for Fall 2021

construction.Princeton.edu
Safety: LOOK, LISTEN & LEARN

**LOOK** for:
- Construction fencing around construction sites
- Pedestrian routing signs
- Vehicles travelling to construction sites to make deliveries or remove material
- Stop Signs and Yield Signs when walking, driving or biking around campus

**LISTEN** to:
- Beeping trucks and vehicles backing up
- Traffic control personnel directing vehicles & pedestrians around impacts
- News...regarding upcoming projects, traffic and pedestrian changes

**LEARN** by:
- Utilizing the QR Codes on fence signs for construction information
- Subscribing to Construction Newsletters
- Attending project team neighbor meetings
- Sign up for FAC-Outlet impact emails
