CPUC

# Resources Committee

- The committee received the Divest Princeton Proposal on February 13, 2020.
- The committee held a meeting to begin its initial review of the proposal on March 10, 2020 and the committee provided an update to the Divest Princeton group after that meeting.
- As a next step, the committee has asked to meet with staff from Princeton's Office of Sustainability to learn more about their action plan and to seek additional information on their objective to achieve carbon neutrality by 2046.
- Committee will continue to do its work virtually in anticipation of issuing its report at the May 4, 2020 CPUC meeting.

# Naming Committee

- The Committee has postponed its deliberations on the naming of Marx Hall and 36 University Place but intends to make recommendations to the Board of Trustees next year.

# Rights Rules Committee

- Committee has been meeting this year to propose a Recording Policy.
- Committee will meet virtually in April in the hopes of bringing forth the proposal to the Council at its May meeting

# **Ad Hoc Committee on Sexual Climate, Culture and Conduct**

- Committee formed with the exception of undergraduate and graduate representatives.
- Undergraduate interviews will occur shortly with the intent of bringing the committee together virtually in April and in May.
